

Hero's Turn

The time to remember our Veterans
Has come our way
Recent happenings helped us think
What made this day
Our biggest ship returns to home
After making a hero's turn
To write my thoughts and tell the world
I do so yearn
Each of these men and women
Has played a role
As before they are now a vet
Telling you is my goal
So soon this coming Monday
Arriving very soon
Remember them when
The clock strikes noon
For the time to remember our Veterans
Has come our way
Arriving home safe and well
For these Vets I do pray!!!
